Back Where We Belong

After a long and hard time, the Lions finally returned to their original home

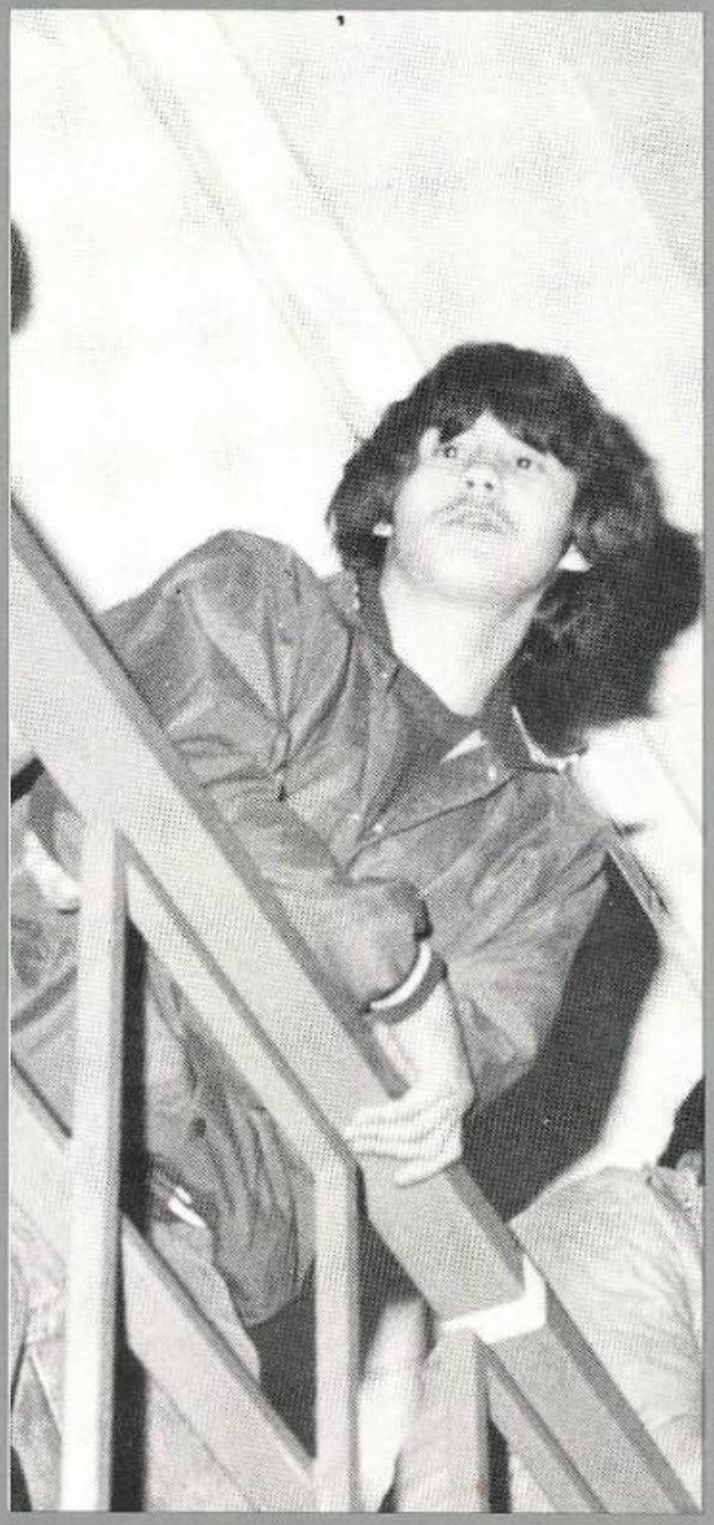
After eighteen long months, reconstruction on the new building came to a close as students began the 1982-83 academic year. The building was built along the same plan as the first building with a few minor changes. New graphics added to the beauty of the new facility. The building was formally rededicated on September 12, before an estimated crowd of 1,200 persons.

The new memorial courtyard added a touch of class and pride to the front of the campus. Both students and faculty were happy to get out of the portables and get back where we belong in the rebuilt facilities. The senior parking lot was returned to seniors after the removal of the portables. After all the Lions have been through it was evident that we were "Back Where We Belong."

Brigadettes perform to "Aztec Fire" in the Christmas Parade.

JT faculty and students give area business people a tour of the campus.

Seniors Celeste Gabriel, Ray Nye, and Maggi Hood review notes on MacBeth.



Shelly Emmons has found something interesting in the distance.

Gary Watts takes a break between classes.

Changes in the format of the **Alcalde** were brought into perspective by this group, the **Alcalde** staff, under the supervision of Mrs. Wilma LeNoir.

Student Life

Our newly reconstructed building was a welcome sight. Our facilities were better than ever, and we were all glad to be out of the portables.

Now that we are back where we belonged, student life buzzed with renewed vitality. There were football and basketball games, plays in our new theatre, contests, tournaments, and jobs. Somehow, we still found time to spend with our friends.

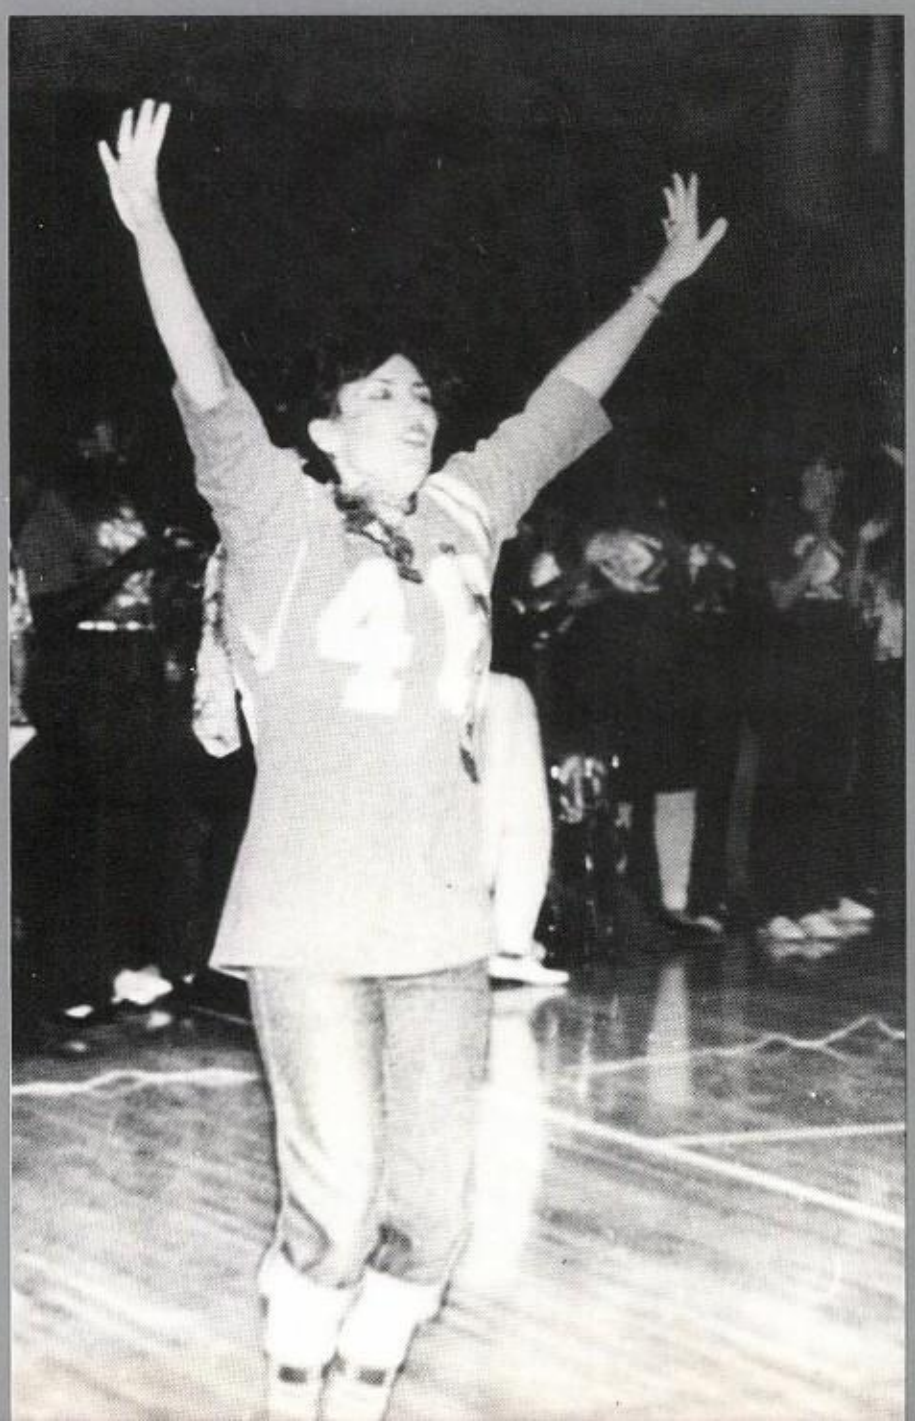
Every Week spirited Lions gathered to show their sprit and excitement for the upcoming game

Shouts of joy and anxiety could be heard coming from the JT gym every Friday morning during football season as the mighty Lions prepared to outdo their opponents. Great music was always provided by the Lion band playing songs such as "Aztec Fire," and "Still." The majorettes added their flashy twirling to songs like "I Can't Go For That" and "Physical." The Brigadettes and officers presented a touch of jazz as they danced to "I've Got the Music In Me," and "String of Pearls." Special skits were provided by the cheerleaders, including an appearance of last year's cheerleaders.

As the band played "Big Bad John" different soloists performed solos they had made up. As the pep rally drew to a close, the crowd joined together in the singing of the school song.

Brigadettes perform a routine to "Pac Man" in the Lufkin pep rally.

Junior Kara Bunch sings "Even the Nights Are Better."



Teachers make great cheerleaders.

The cheerleaders wish the football team good luck against Pine Tree.

Denise Edwards and Shelley Johnson display their "punk" attire during Lee Week.

Every pep rally is closed with the singing of "To John Tyler High."

The most exciting time of the football season is the week prior to the game with cross-town rival Robert E. Lee. The week was full of different and zany days. Monday through Friday was full of different dress up days, including "Sweat Day," "Punk Day," "Twin Day," and ending the week was the traditional "Blue and White Day." The pep rally was held Friday morning. This was the best pep rally of the season with the band, Brigadettes, Blue Brigade, majorettes, flags, rifles, and pop group all performing. Friday afternoon cheerleaders led students through the building and the parking lot on a snake dance during seventh period. Lee Week ended Friday night with the showdown between the mighty Lions and the Red Raiders. In the last eleven years, the record of wins and losses shows JT a victor eight times, allowing the Red Raiders only three wins. Starting in 1972, the Lions started a five-year winning streak: 1972, 6-0; 1973, 28-3; 1974, 27-0; 1975, 22-7; and 1976, 34-6. The Raiders finally beat JT in 1977, 21-12. The Lions didn't stay down long, winning the next three years; 1978, 14-6; 1979, 13-0; and 1980 20-6. The Red Raiders have held on to a two-year winning streak topping JT in 1981, 7-0 and again this year. Although Lee has come out on top our spirit will never die.

The cheerleaders lead the Mighty Lions in a cheer as the band prepares to play.

Brigadettes and officers help keep the spirit up by doing "Steady Eddy."

Collecting Our Thoughts

Going to school wouldn't be the same if it wasn't for those crazy people to hang around with, your friends. They're there when you need a shoulder to cry on or just someone to talk to. Classes always seemed a lot more fun when you had a friend near to laugh with. And then there was always the class clown that would pull any stunt to get attention. Friends also came in handy when you forgot to study for that algebra, biology, or even the dreaded government test. Not only were classes brighter when your buddies were around, but so was lunchtime. Friends helped create a cheerful and happy environment to both work and play in. Even though some friends came and went, true friends were there through it all.

The rededication was our homecoming, and a dedication to a new beginning at John Tyler

Sunday, September 12, was a day of honor for all JT students, faculty, and members of the community. The rededication of the new John Tyler High School after the fire was sparked by guest speakers including former principal C. C. Baker, Jr., Secretary of State David Dean, and Jim Newton, architect of the new facility. Mrs. Brooks gave her first speech as principal of John Tyler.

The Lion band and choir provided the musical entertainment for the ceremony. The highlight of the afternoon was the unveiling of the bronze lion monument. The monument consisted of three types of bricks; bricks from Tyler High, the burned John Tyler, and the restored John Tyler. The lion was an original design by Kilgore sculptor Henry Wedermyer. Carol Maddox, chairman of the Restoration and Reconstruction Committee, and members of the committee raised more than $29,000 to help pay for different accessories around the school, including the new monument.

Winning AT UIL District

A keen desire for excellence in a particular discipline was visible when representatives from J.T. won honors. The district competition, held this year on April 8 in Lufkin, was sponsored by the University Interscholastic League.

Debate entrants were French Taylor, Brandon Criswell, Stephanie Griffith, Angela Owen, Michael Green, Angela Wells, Stephen Hubbard, Gina Smith, Scott Sipes, Dennis Stimpson, Adrienne Taxon, Deborah Stovall, Bessie Walker, and Muriel Gabel. Drama was represented by Tremel Johnson, Sonia Pfutzenreuter, Melanie Cash, Amy Cohen, Jackie Washington, Lara Henderson, and Kim Rich. Prior to the literary and academic competition in UIL, members of the John Tyler cast of "Blithe Spirit" presented their one-act contest play before district judges in Nacogdoches. Another area of competition for the four journalism students was in headline, feature, editorial, and news writing. Participants were Debbie Johnson, Ginger McKinney, Melinda Morris, and Barbara Woodyard.

Other writing entrants competed in the Ready Writing division. They were Tanya Holland, Michelle Wilson, Kerrie Eubanks, and Scott Sipes. In addition, there were contestants in the following categories: Shorthand; Kim Wilson, Yvonne Rodriguez; Typing; Tonya McCrary, Sonya Brown, Kim Sluder, D'Andrea Thornton, Felecia Madlock; Science; Keith Miller, Chet Dingler, Phil Cornett, Nancy Cruse, Janak Patel, Allen Nusbaum; Number Sense, Chet Dingler, Keith Miller, and Tim Edwards.

Holding On To Dreams

"Holding On To Your Dreams" was the theme for the Senior Prom, held April 29 in the Rose Garden Center Building. This theme held true for all the graduates of '83. The decorations included pastel balloons and rainbows. The dance floor was a cloud of balloons but that didn't last long because everyone was dancing. Everyone went all out on their clothes for the evening. The guys looked handsome in their tuxedos, and the dresses were stunning on the girls. According to the senior assistant principal Bobby Watkins, "The enthusiasm and participation for the senior prom was overwhelming." The '83 Prom certainly gave the seniors a special memory to hold on to.

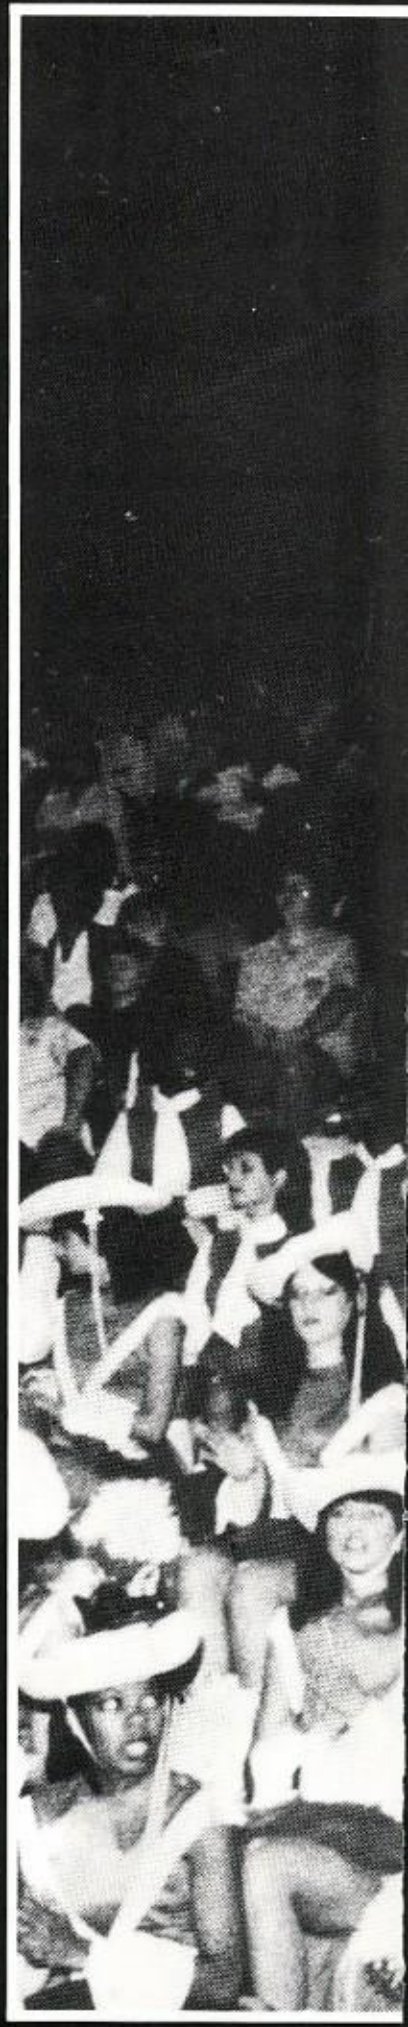
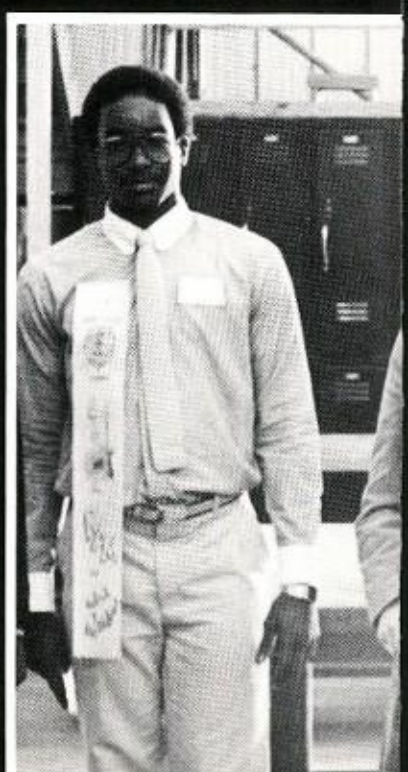
Organizations

School clubs are involved in not only service projects but school programs which assist the individual's growth.

One word which seemed to sum up JT the best was "involvement." There were times when we realized that if it hadn't been for school, we would've had time to get all our extra-curricular activities done. Whether we were spending our time in clubs or in class, it was nice to be . . . Back Where We Belong.





Deadline, Just Another Word

The **Alcalde** staff work throughout the year to produce a quality yearbook. Under the direction of the new sponsor, Wilma LeNoir, many changes were made in the book. The 1983 Alcalde has color pictures, original layouts, and more candids!

Everyone on the staff was assigned certain pages to draw, place pictures on, and write original stories and captions. The work never seemed to end. There were four deadlines, in January, February, March, and June. The deadlines were to send certain pages in to the publisher. Staffers worked during school, after school, and even on weekends when work had to be finished. Also, at least one of the three staff photographers was present at most every sporting event and school activity.

Students who are not on the staff often do not realize the effort that a staff must put forth to produce a quality book. Truly, deadline is just another word for everything left to do.

They Work Weeks Before Competition

Assignments, interviews, statistics, copy and advertisements and photographs are all part of the monthly procedures the **Lion's Tale** goes through.

The first step is to find out just what the people want to know. The staff boasts the winners and shows its pride for everyone with wide coverage of school events. **Lion's Tale** reporters are always looking for information that everyone would like to know.

The format and size are determined by community participation in the purchasing of ads and the number of stories available to publish.

When stories are written, they are typed on a Compugraphic Word Processor. A printout from the floppy disk is used to do paste-ups.

After paste-ups, they are taken to Tyler Star Publishing to be printed. The paper is usually back in two days, and then it goes on sale for 20¢ a copy.

The Drama department is an organization to promote theatre arts in the school and community.

Helen Jack, the International Thespian Society sponsor, said that the group participated in workshops, festivals. The biggest thing that happened for them was the reconstruction of the theatre.

"John Tyler is proud of the new thrust stage theatre," stated Jack. "Proud is our Pride" and proud is what we are.

John Tyler has had many art showing throughout the year. Among the showings were one at Sanger Harris and another at Harvey Hall, both promoting the school district's One-Hundredth Anniversary.

In December, Paula Brumitt placed first, Kevin Ferrell placed third, and Keith Edwards placed fourth at the Kilgore Art Show. At receiving these placements, their art was sent to San Marcos for State Competition where Ferrell placed fourth and Brumitt received Honorable Mention.

Tyler Junior College sponsored a local competition in which Brumitt and Maria Pannell, Larry Bircher placed and received a $100 scholarship each. This was recognized by KLTV and *Tyler Courier Times.*

"Many accomplishments have been reached and even gone past my goals," stated Judith Burleyson, art chairman. "I guess I'll have to raise JT's goals even higher."

Great Minds At Work;

The National Honor Society inducted fifty-three new members on March fifteenth of this year. Students who met attendance and grade requirements were nominated. The names of the nominees were submitted to a faculty committee for review. Members were chosen on the basis of scholarship, leadership, and character. Requirements for the chapter state that candidates of junior and sophomore status must have an average of at least ninety per cent. Students on the senior level must have an average of eighty-five per cent and no final grade lower than a C-.

ebaters Heard Loud and Clear

Paul Sims and Dennis Stimpson prove that debaters are not always serious.

"1982-83 has been the best year yet for the John Tyler Debate Team," said Bill McGoff, sponsor. The team went to eleven out-of-town tournaments and to a workshop that was held at East Texas State University. Debaters must pay all of their own expenses, including hotel rooms and meals.

At the National Forensic League District tournament this year JT debaters progressed farther than they ever have before, showing the vast improvement in the team. Also, there were three Texas Forensic Association State qualifiers from JT, the most ever at one time in the team's history. Awards were won by debaters at UIL District and at every other tournament that the team attended this year.

In the Spring, the National Forensic League co-sponsored a Middle School Tournament held at John Tyler. The year ended with an NFL banquet where team awards were presented.

(middle row) Monica Adams, Deana Tedford, Valorie liguez, Analisa Smith, Tracie Oldham, Amy Rowland, Dee Hanson, Sonia Pfutzenreuter, Lynn Taylor, Linda Farrel, Terri Elrod, Kim Goss, Linda Pardue, Jeannie Frick. front row) Manager Brenda Oden, Officers: Kelly Wood, Ginger McKinney, Teresa McCloud, Kelli Gideon, Caren Huckabee, Belinda Scott, Donata Green.

Most people do not realize how edicated a girl must be to be a rigadette. Luckily, John Tyler had 38 irls who knew what it took to be a rigadette, and put 100% of nemselves into it. It takes a special ind of girl to practice an hour and a alf everyday before school, go rough school, and then practice after chool, still looking good.

The 1982-83 John Tyler Brigadettes ave lead an active year. It started hen they attended SMU Superstar rill Team Camp in June. After that ey had a month off and then went ack to work in August learning routines choreographed by Molly Cannon. Some of the routines they learned used props such as a hoopla, suitcase, and a step ladder.

After football season they had a little time off to learn ballet. It was then back to work getting ready for competition in February. This event took more work and dedication than any other event the Brigadettes attended. They came to school early and left late. The hard work paid off the Brigadette Officers, who received a first division rating on two of their three routines performed.

After competition there was not much time for rest. After all, drill team try-outs were coming up in April. All of the girls worked diligently for try-outs. Unfortunately, all could not make it. Once try-outs were over the drill team put all of their energy into their Spring Show. "Our Favorite Things" was the theme which held true throughout the show. They performed their own choreographed routines to such songs as "I'm a Mean Ole Lion," "We Got the Beat," and "My Favorite Things." Drill Team is certainly this groups' favorite thing, can't you tell?

Blue Brigade Shows

The 1982-83 Sophomore Blue Brigades were: (First Row) Michelle Haygood, Amy Cohen, Denise Edwards, Pam Tidwell, Diaudra Anderson, Rochelle Duval, Lind Johnson. (Second Row) Catayna Brown, Anita Paul, Susan Womack, Mary Dickerson, Stephanie Francis, Angela Poole, Paula Ross, (Third Row) Dana Hale, Regin Wilkerson, Sheila Johnson, Stefanie Montgomery, Sandra Taylor, Cynthia Hunt, and Katawna Sanders.

The sophomore Blue Brigade class of 1982-83 has had an exciting and different year. It all began when the Tyler Independent School District decided to let the Blue Brigade class attend all varsity games. This is new in that before they were never able to attend out-of-town games.

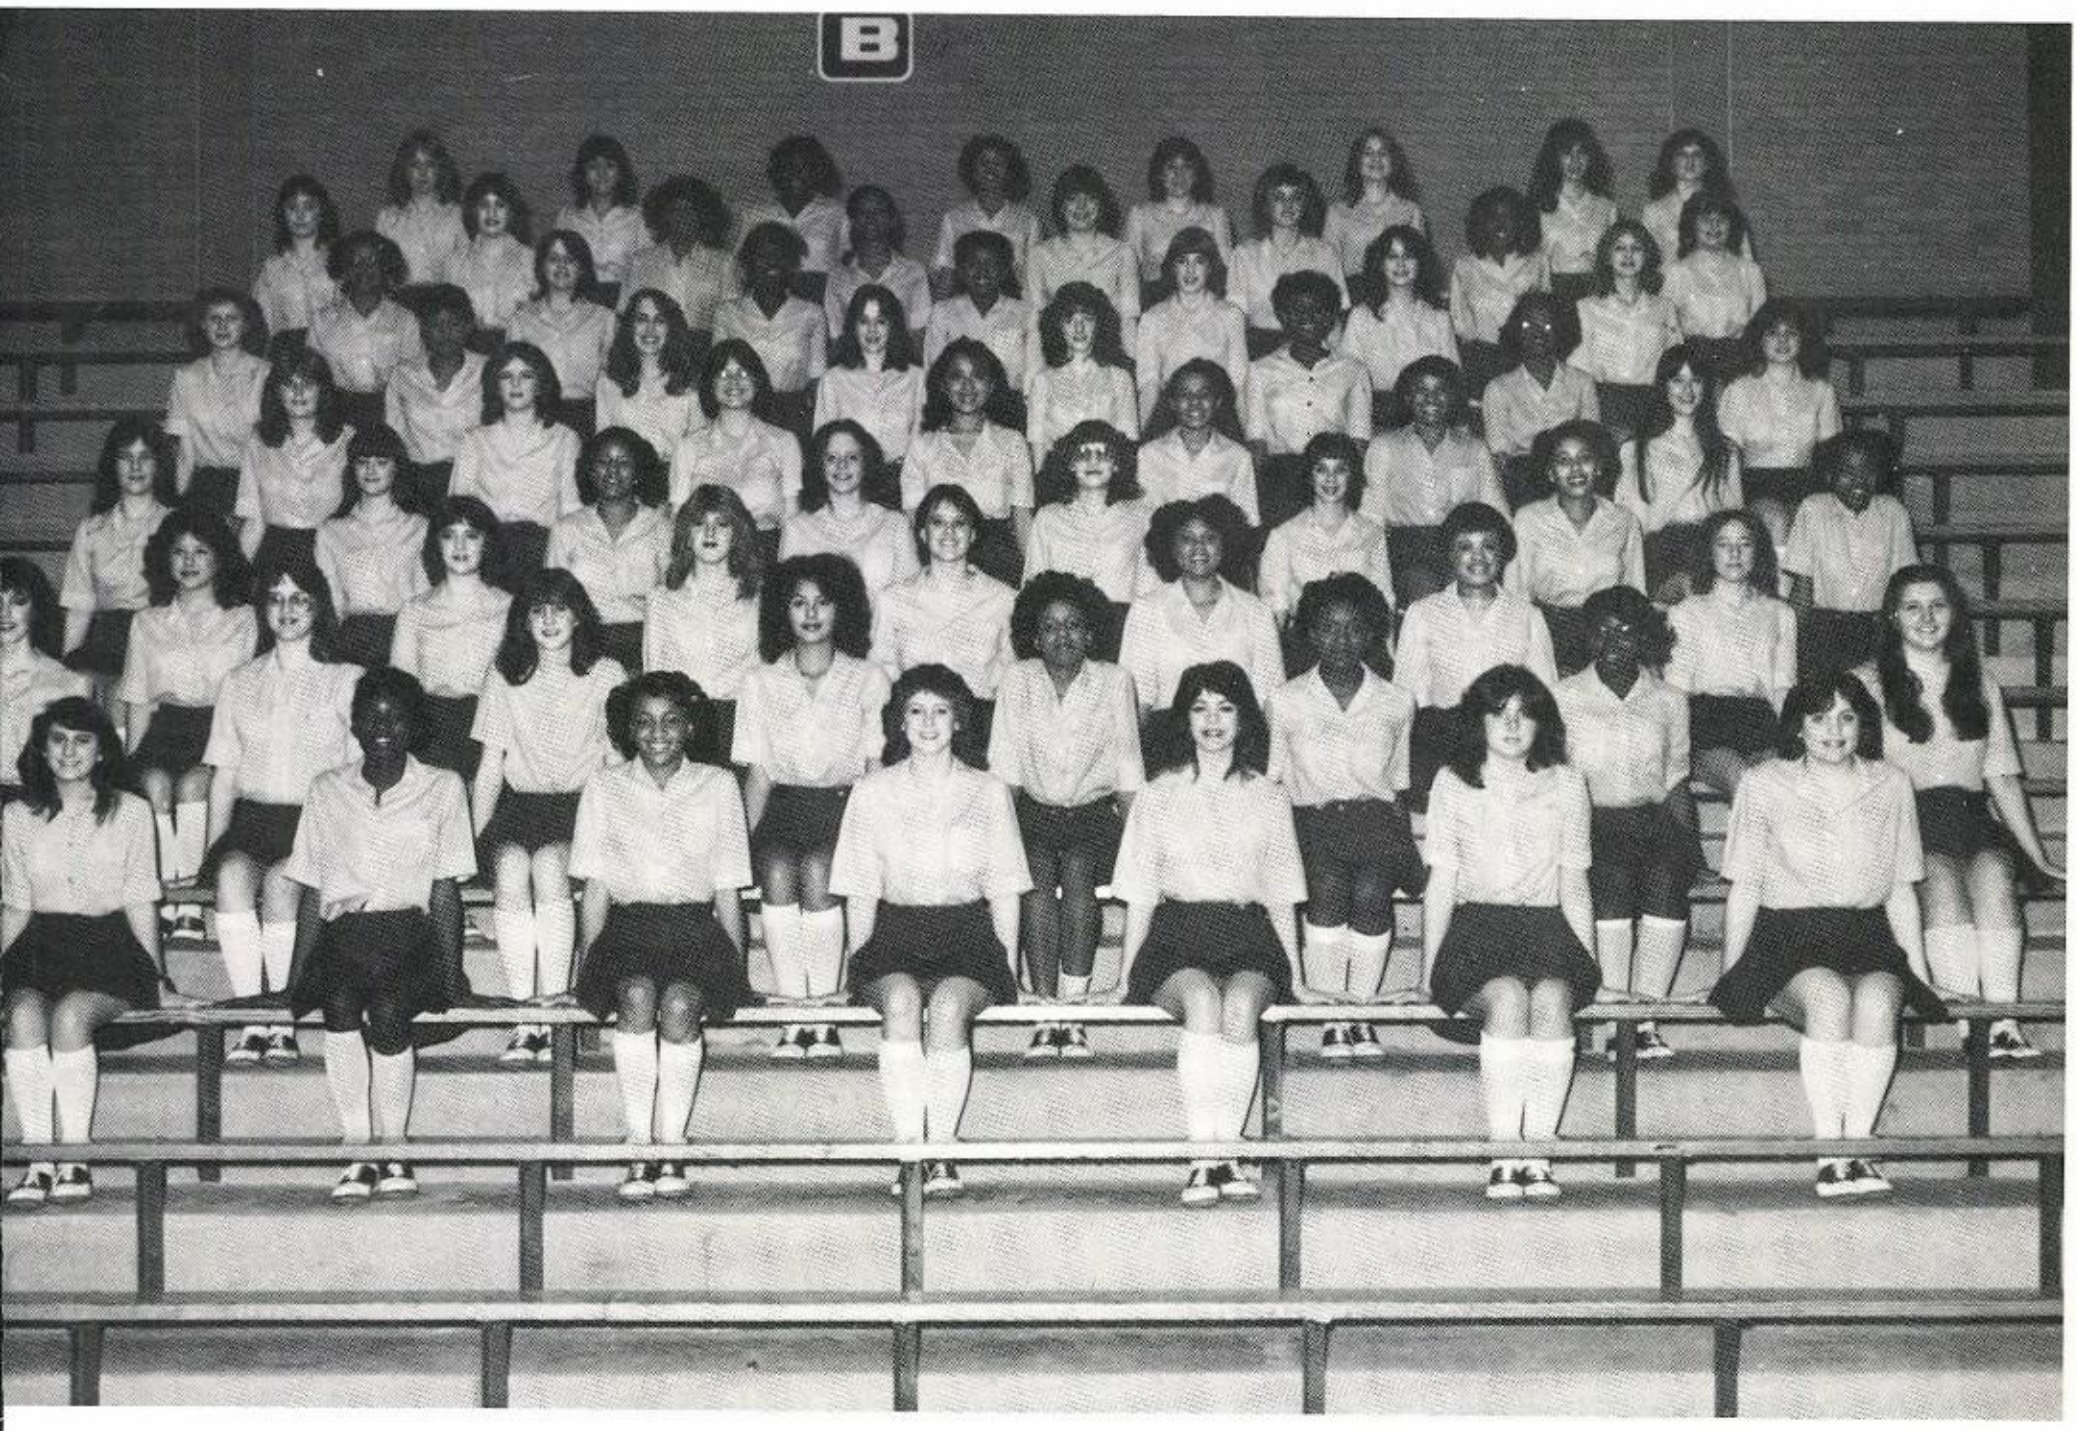
Their class was instructed by Molly Cannon and Brigadette Captain Kelli Gideon. At the beginning of the year they learned hand routines to perform at varsity games and pep rallies. After football season, they learned a pom-pon routine to "We Got the Beat" choreographed by Kelli Gideon. They performed the routine at the JV John Tyler vs. Lee basketball game.

After basketball season was over, the Blue Brigade began learning jazz and high kick techniques to prepare them for drill team try-outs. Practicing these for weeks, they were finally ready for try-outs. This is always an exciting event for sophomores.

When try-outs were over, they ha time off to learn ballet techniques fro student teacher Marilyn Simmons.

Sophomore Blue Brigade allow class for those who aren't ready f drill team but still want to be involve It also lets them have an extra year prepare for drill team try-outs. The va improvement of the organizatio should be inviting to many dedicate young ladies.

Spirit For JT



The 1982-83 Freshman Blue Brigades

This group of girls certainly promote irit at John Tyler High. They attend any of the freshman functions, such the freshman football and basket- ll games. They also sit with the drill am at all of the pep rallies.

The freshmen have a required Blue igade class where they are in- ucted by Molly Cannon and a Brigadette officer. In this class they learn many things that will help them later if they try-out for drill team. They are taught hand routines which they perform at the freshman games and pep rallies. Also, they learn the basics of drill team such as kicking, stretching, and even a little ballet.

This freshman organization is very new to John Tyler. In the past, girls were only allowed to be in Blue Brigade as a sophomore. Luckily, this rule changed at John Tyler. Now the girls are able to gain more experience before trying out for drill team, and that's a noticeable asset when the Brigadettes perform.

The band plays to "Caravan."

All That Jazz

In its second year, the JT Jazz Ensemble is stronger than ever before. With the addition of new members, the band consisted of period five students and selected band students. Practices were held at 7:30 each morning. If additional practices were needed, they were held at 3:30. Activities for the Jazz Ensemble included the SFA Jazz Band Contest, where JT placed third, UIL Solo and Ensemble, and concerts at Boulter, Stewart, Dogan and Moore middle schools. The band also played for the 100th Year Anniversary of the TISD. Scott Hendley served as student director for the second year, leading the band in the absence of director John Samples. Some of the favorite songs of the band were "We Got the Beat," "Dirty Girty," and "Caravan."

Scott Hendley serves as student director at the Pine Tree game.

The Freshman Band, under the new direction of Tim Zamora, entered into the third year of existence at John Tyler. Sixty five freshmen made up the Band. The Band did not attend the UIL Marching Contest, but they did go to concert and sightreading contest in Carthage. For this contest they played "General Grant," "Slavonic Folk Song," and "Shepherd's Hey." During the year the Band performed at all ninth grade games and participated in All-Region and Solo and Ensemble. Many of the freshmen performed in the Varsity Marching Band. At the end of the year, all freshman twirlers who wished to try out for varsity majorette were allowed to do so.

Lion Band Does It Again

Giving life to halftime is what the Lion Band did best. Presenting their unique routines always ended with standing ovations from the crowd. The Lion Band presented routines which consisted of many shpaes like circles, arcs, squares, and diamonds. Marching to the tunes of "2001," the opening fanfare, "Aztec Fire," with soloists Scott Hendley and Les Hopkins, "Still," and closing with "America," the band participated in the UIL Marching Contest held at Rose Stadium. The band received a II rating, which angered many parents and fans. The outbreak of the parents caused the Lion Band to be placed on probation for the rest of the 82-83 year and all of 83-84. After marching season ended, the band began gearing up for All-Region, Solo and Ensemble, and Concert and Sightreading. For concert tunes like "Chimes of Liberty," "Overture to Candide," and "Alleluia! Laudamus Te." The band received a III in concert and a II in sightreading. After concert season, persons wishing to try out for various band offices began practicing. The trip to Branson, Missouri was made possible by funds raised by the band and Band Parents.

The band does a high step in "Still" at marching contest.

Band Parents Unite

John Samples, director of the Lion band saw the need for a Band Parents Organization and called the initial meeting in November, 1982. Officers elected include June Hood, chairman; Odessa Timms, co-chairman; Mary Johnson, secretary; Annie Nobles, treasurer; Buddy Hendley, reporter; Barbara Garrett, Booster Club representative; Peggy Hopkins, ways and means chairman; Linda Presley, newsletter; and Elaine Murphree, telephone. The goals of the organization are to arouse interest in John Tyler's music department, to lend support to the Band program, to maintain an efficient program, and to provide a group of parents to support the JT band. The emblem of the organization, shown below, was drawn by Duane Lollar, and represents the organization.

Two school organizations who are active at JT not only with school activities but serving others in the community are the Future Business Leaders of America and the Future Teachers of America.

FBLA was a newly organized club this year. It was an organization to promote interest in business among students. It also helped the students decide which field of business was best for them.

FTA was a club whose purpose was to interest young men and women in teaching as a career. These students also gained an appreciation for the contributions that the public schools have made to our society. They also learned an understanding of the development and purposes of our public free schools.

The Future Homemakers of America was a very active club this year. This group of young men and women, sponsored by Ora Taylor, started this year out by hosting a spirit supper and a pep rally for the JT vs. Longview game. They also sold sweat shirts at this time.

When basketball season came around, FHA had a pancake breakfast for the basketball players going to Bi-District. One of the big things this year for FHA was the sponsoring of this year's Homecoming queen, Sherrye Cook.

FHA also sponsored a skating party, a Valentine's Day Sweetheart and Beau, held several chapter meetings, and had a "fun" trip to Six Flags.

This year's officers were Danna McKellar, area officer; Danita Thomas, president; Felicia Madlock, area officer; Von Gretchin Bell, treasurer; Stephanie Barber, v-p of projects; Debra Presley, v-p of programs; Carmen Mosley, v-p of public relations-historian; Viki Caddel, v-p of recreation-parliamentarian; Vincent Brooks, v-p of encounters; Teri Hayes, secretary.

Another event for this group was that Felicia Madlock was elected to a state office, and Danna McKellar was elected to run for National Office.

Serving and working for others is a part of being a member of not only the Industrial Cooperative Training but also Tyler Youth Volunteers.

The Industrial Cooperative Training program gives students an opportunity to learn by working part of the say on separate jobs. Most of the members of ICT attend classes the first half of the day and work for employers the remainder of the day. The club helps students find jobs to suit them and to find the ICT way of life.

Tyler Youth Volunteers, a unique group of JT students working with adult advisors for the benefit of the community. The major objective of the organization lies in youth to seek and apply real solutions to current needs. Some projects include tutorial assistance for middle school students, Tele Care program, drug and alcohol abuse seminars, Teen Jury, and home improvement for the underpriveledged.

Of course, there are numerous additional jobs and needs in the city of Tyler and ICT and TYV students are encouraged to try and solve them for the future.

Future Farmers of America promoted agriculture service both at school and in the community. FFA students prepared themselves for successful futures in the field of agriculture. In addition, these students participated in the annual East Texas Fair in Tyler and also traveled to Dallas to enter the State Fair of Texas. In the local area, students were involved first hand, in farming with individual calves, pigs, or chickens. Others were involved in developing gardening skills.

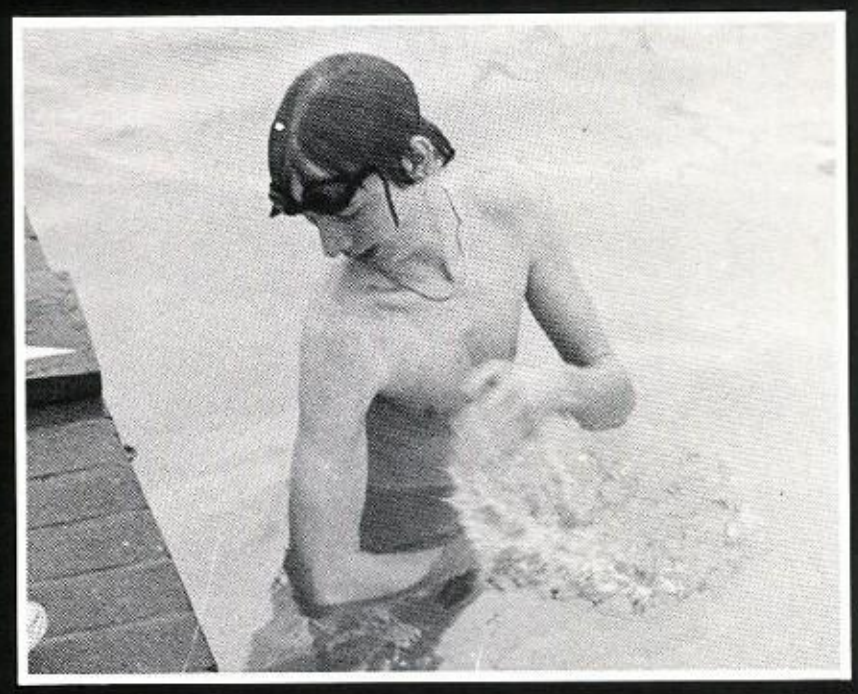
Student Congress was the student-body's way of voicing their opinion. It further enhanced the democratic society by which one lives. The organizational make-up of Student Congress consisted of class officers from each grade level, representatives from each Pride group, and student body officers. The class officers were elected at the last part of the previous school year by the students of that grade level. Selection of each representative was performed by individual Pride rooms. The Student Congress officers were elected by the complete student body.

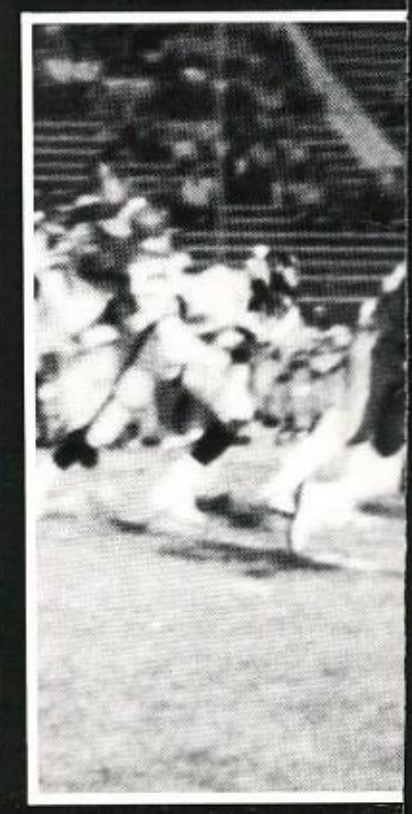
This year the Student Congress was responsible for many events that took place. In order to make school activities better for students, they revised the constitution. The organization was partly responsible for the success of each Soc Hop.

Sports

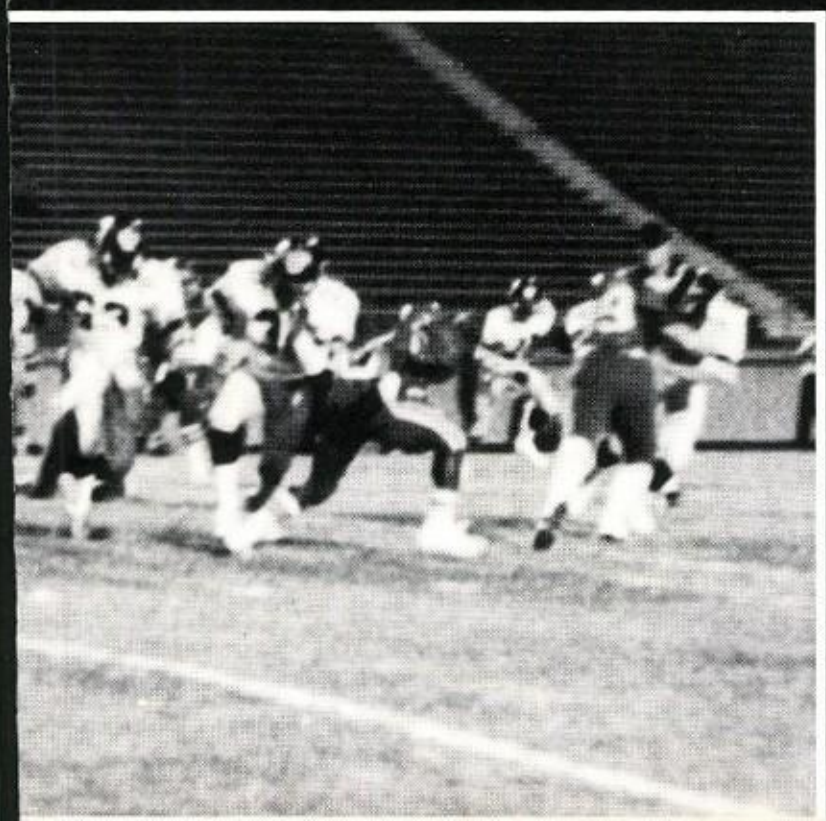
As the 1982-83 year began, the mighty JT Lions roared to a victorious season. Many exciting moments were seen this season.

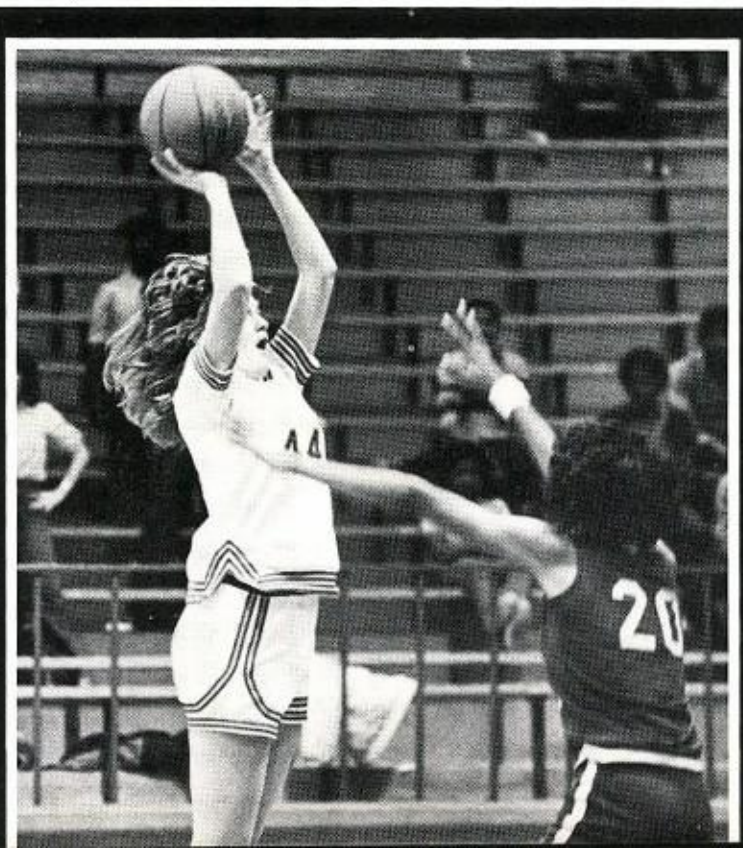
The year included a District 13AAAAA basketball and track title. Individual athletes performed well in competition and broke many various records in competitive UIL sports.





RAIDERS





Running...

The John Tyler Lions opened the season in typical fashion by winning their first two non-district games. However, in the third game they faced perennial state power South Oak Cliff. The loss, 13-6 was a hard fought battle.

Opening the District 13-5A race the Lions lost to Texarkana, 19-13, in one of the key games of the season. The next game against Nacogdoches saw the Lions rebound to take a 27-13 victory over the eventual District champions. This win evened the Lions district record at 1-1.

The Lions defeated the Lufkin Panthers, 7-3, to even the season at 3-3. The Lions entertained the Marshall Mavericks for JT's first Homecoming game. The Lions played well but lost 18-13. This game put the district record at 2-2.

The last third of the season proved fatal to the Lions play-off hopes. The Lions lost to Pine Tree, 31-13. The Longview Lobos spotted the Lions a 15-0 lead at halftime but came back in the second half to defeat the Lions, 18-15. This loss killed the Lions play-off hopes.

In the last game of the season the Lions were looking to avenge a 7-0 defeat from last year when they met cross town competitor Robert E. Lee. Lee, however, played an inspired game of football to defeat the Lions 13-7.

Lions Capture 13-5A Championship

In 13-5A Basketball 1983 was the Year of The Lions. With an 11-5 district record for the season the Lions became the District Champs for the first time in ten years. Much to the delight of the basketball team and all of John Tyler, Coach Billy Lawson was voted District Co-Coach of the year, with Longviews Coach Romans sharing the awards. Vernon George and Albert Dixon were named to the All District First Team. Rod Dunn and Ray Williams were named to the All District Second Team. Randy Fleet and Eric Hodge were named to the Honorary Mention. The Lions defeated their cross town competitors, the Robert E. Lee Red Raiders in both rounds of district play going into four overtimes in the first round game. They also defeated the Longview Lobos in first round play and defeated them again for the District 13-5A basketball title.

Their skill along with team work enables them to advance to the Bi-District playoffs. Here the season ended for the John Tyler Varsity Basketball Team. Yet they were able to say we did our best.

The Lady Lions completed an overall season of 12 and 15 for 1982-1983. In District they were 6 and 8.

Under the guidance of first year head coach Frances Harold the Lady Lions were runners up in the Tyler Junior College Tournament. John Tyler's Ladies defeated cross-town competition Robert E. Lee in the final district game in two overtimes.

Sherry Kellogg, Tonya Franklin, and Torian Griffin were named to the All-District second team, with Casaundra Hagler and Karen Jennings named to the Honorable Mention team.

The total girls' basketball program proved fruitful for 1982-1983. The Junior Varsity ladies completed an undefeated season and both ninth grade teams finished as co-district champs.

The beginning of the John Tyler Lady Lions volleyball season was a vast improvement, but the Lady Lions had not reached their goal. As the season moved on, the Lady Lions became stronger and stronger. With a defeat over the Lady Raiders, and a suprising playoff spot, they found their intensity level high. The Lady Lions improved immensely as thet prepared themselves for the playoffs. Although defeated in the third game of the playoffs by the Lady Raiders, they had a memorable season.

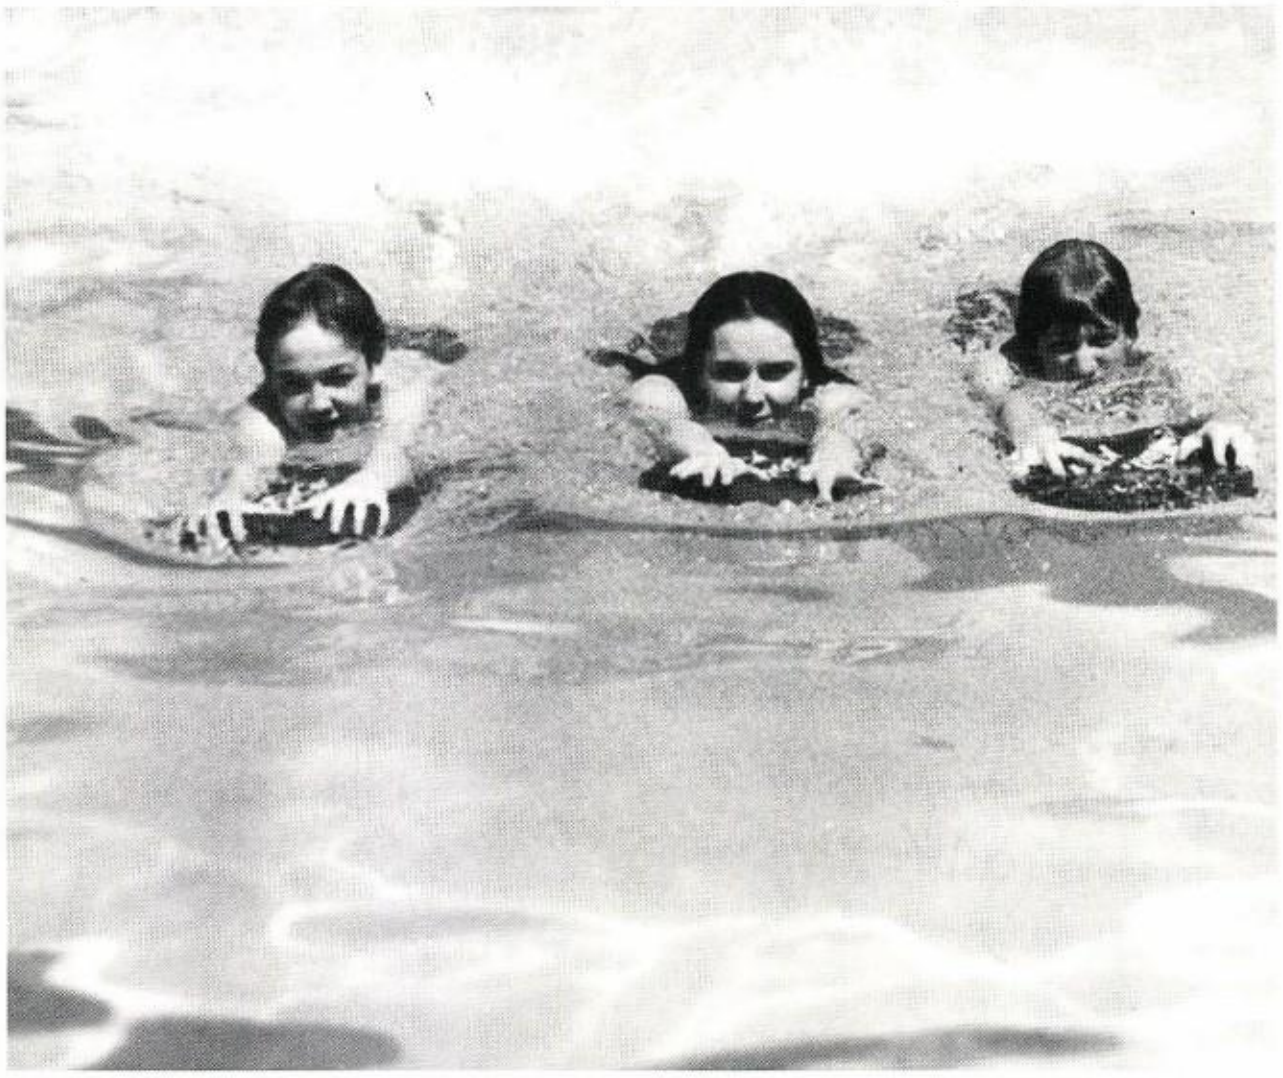
Swim team members: William Cooper, Michelle Sigler, and Douglas Ryan.



Members of the 82-83 Swim Team are William Cooper, Ruth Ann Curtis, Shelley Emmons, Lisa McCarthy, Sue Ellen Messer, Roger Rich, Douglas Ryan and Michelle Sigler. The lettermen for the year as designated by Coach Jennifer Chambers were William Cooper, Douglas Ryan, and Michelle Sigler. All three participated in the District Swim Meet in Longview. William Cooper, a freshman, participated in all dual meets. He improved his times and in some events dropped 10-15 seconds. Others who swam for the Lion's were Ruth Ann Curtis, Shelley Emmons, Lisa McCarthy, Sue Ellen Messer, and Roger Rich. Ryan, a sophomore, placed in the top three in dual meets. His events were the 50 free style and the 100 free style, two of the toughest events to score in. Ryan also improved his times from last year. Sigler was the only swimmer to make it to Regionals. She swam the 50 free style and the 100 backstroke. She also placed in top three dual meets.

The new sport at John Tyler as well as in 13-5A district is soccer. This first year, approximately 26 candidates tried out for the Varsity Soccer Team. Out of that amount, however, only 17 of the athletes actually made the team.

The soccer team's record this year was not very good. But this is partially justified because of the lack of experience of the team. The players, in spite of their record, feel that they really have learned a lot about this new sport.

The soccer coach, Pat Moore, a new coach from California, believes that next year's soccer team will be significantly better.

Soccer, which is a sport loved by all, is now a part of the John Tyler pride.

Serve It Up

Serve, volley, slam, these are some of the moves seen on the tennis court by members of the Lions tennis team. Under the supervision of Coach Early, the tennis team compiled a season record of 7 match wins, 3 losses, and 1 tie. The team participated in five tennis tournaments, finishing as high as fourth in the Stephen F. Austin Invitational.

Serving up many of the team wins were boys "ace" single players, Sloan Regas and Michael Robinson. Coach Early said, "They both had outstanding seasons." The two also finished sixth and eighth respectively, in this year's 13AAAAA district tournament. On the other side of the coin girls singles player, Judy Hand showed good tennis form this season by placing fourth in the district tournament. J.T.'s other district entries included girls singles player Cathy Short and boys doubles teams of Burt Walker and Jim Ingram with Arthur Bartee and Eric Hampton making up the other tennis tandem. The efforts of these eight players boosted the Lions to an overall place of sixth in the district tournament this year.

Just A Swingi

"They went a swingin' " is a phrase describing what the Golf Team did this year. But, this alone, does not efficiently describe the quality of the team.

The Golf Team finished the season with an eighth place ranking out of sixteen schools in district. The help of Randy Roberts was the key to such a successful season. Although they didn't finish the season in first place, they feel just as proud because they did their best.

Next year, nine out of the eleven players will be returning. Coach Mike McKie feels that next year's team will be better.

Golf player Greg Fisher has stated that possibly more students will be trying out for next year's golf team. "Approximately seven interested students have talked to me about joining the team," Greg stated.

Public education in the Tyler Independent School District has nine goals. These goals in the TISD specify that students should acquire attitudes and skills that will promote good personal health and physical fitness. These attitudes may be developed through recreational activities, proper diet, and good personal hygiene.

Another goal is geared toward the development of knowledge and skills for economic and occupational competence by learning to produce materials, services, or ideas of value to society. Also of importance is the development of skills in the handling of time and money by assuming responsibility and the appreciation of the work ethic.

By practicing self-control, exhibiting self confidence in daily life, demonstrating honesty, and displaying a positive attitude through participation in academic participation as well as after school activities, students accomplish the third goal in the development of a positive self concept.

To read, to comprehend, and to analyze the written word and to follow written and oral instructions as well as making necessary mathematical

calculations are the abilities needed to acquire communication and computational skills, the fourth TISD goal.

Another goal is to help the student attain a knowledge, an awareness, and a concern for important environmental and conversation factors. These concerns affect the pollution, natural resources, and a pride for the environment.

The ability to participate in the American social and governmental processes and to understand these processes is the sixth goal of TISD. To do this a student must understand and exhibit pride and loyalty to local, state, and national government as well as to the school.

Participation in and promotion of community and cultural activities develops interest, appreciation, and skill in the fine arts. This goal is geared toward seeking the opportunity to develop skills in constructive expression.

The final goal encourages students to attain skills needed in interpersonal relationships. These skills deal with cooperating with others in group relationships as well as accepting responsibility.

Meeting Today's Challenges

Susan Griffith, Principal Joan Brooks, and Richard Scott show off the bronze lion monument.

With a school the size of ours, there are many administrative responsibilities. Our assistant principals capably take care of many of these duties. Serving as your first year principal at John Tyler High School has been a challenging and rewarding experience. The Class of 1983 is unique in that you are the first class to spend four years on this campus. Mr. Bobby Watkins, senior principal, and Mrs. Patsy Fisher, senior counselor, are to be commended for the excellent guidance provided for your class. This Senior Class survived the John Tyler fire. Sharing the Robert E. Lee campus for a semester plus attending classes in portable buildings during the next school year required a great deal of maturity on your part. You accepted the challenge in the true John Tyler High School during the Fall of 1982. The Robert E. Lee faculty and student body will always be remembered for graciously accepting our presence after the fire on their campus on a half a day basis. John Tyler parents, headed by the Restoration and Reconstruction Committee, solicited funds to cover items which were not replaced by insurace. The entire Tyler community joined in the effort to insure that our students were not deprived of educational opportunities during this period. During 1982, Tyler Independent School District celebrated its 100 Year Anniversary. The culminating reception at Harvey Hall was a huge success. A big thanks to our PTA parents for planning a first class exhibit about the history of John Tyler High School. Students at John Tyler are fortunate to have a principal, counselor, and attendance clerk for each grade level. This insures that you will get the personal attention required to help you make the best decisions concerning your educational development. As your principal, my major task is that of Instructional Leader. The people who want to obtain an education are the one to whom I am responsible. You and your parents are to be commended for completing this phase of your school life. Hopefully many of you following your graduation will seek additional knowledge in institutions of higher learning. Our goal is for you to continue the goal of becoming a worthwhile, contributing member of society.

Favorites

Everyone at JT is a favorite of someone. Yet, there are a few exceptionally special and are therefore recognized for it. These people should feel very honored, and they do. Being chosen by your friends to lead the class must be rewarding. Winning an honor automatically makes one responsible for carrying out their title. Everyone winning the vote definitely deserves it. There is a lot of competition, and it is hard to beat. In the following pages are the 1982-83 favorites of JTHS.

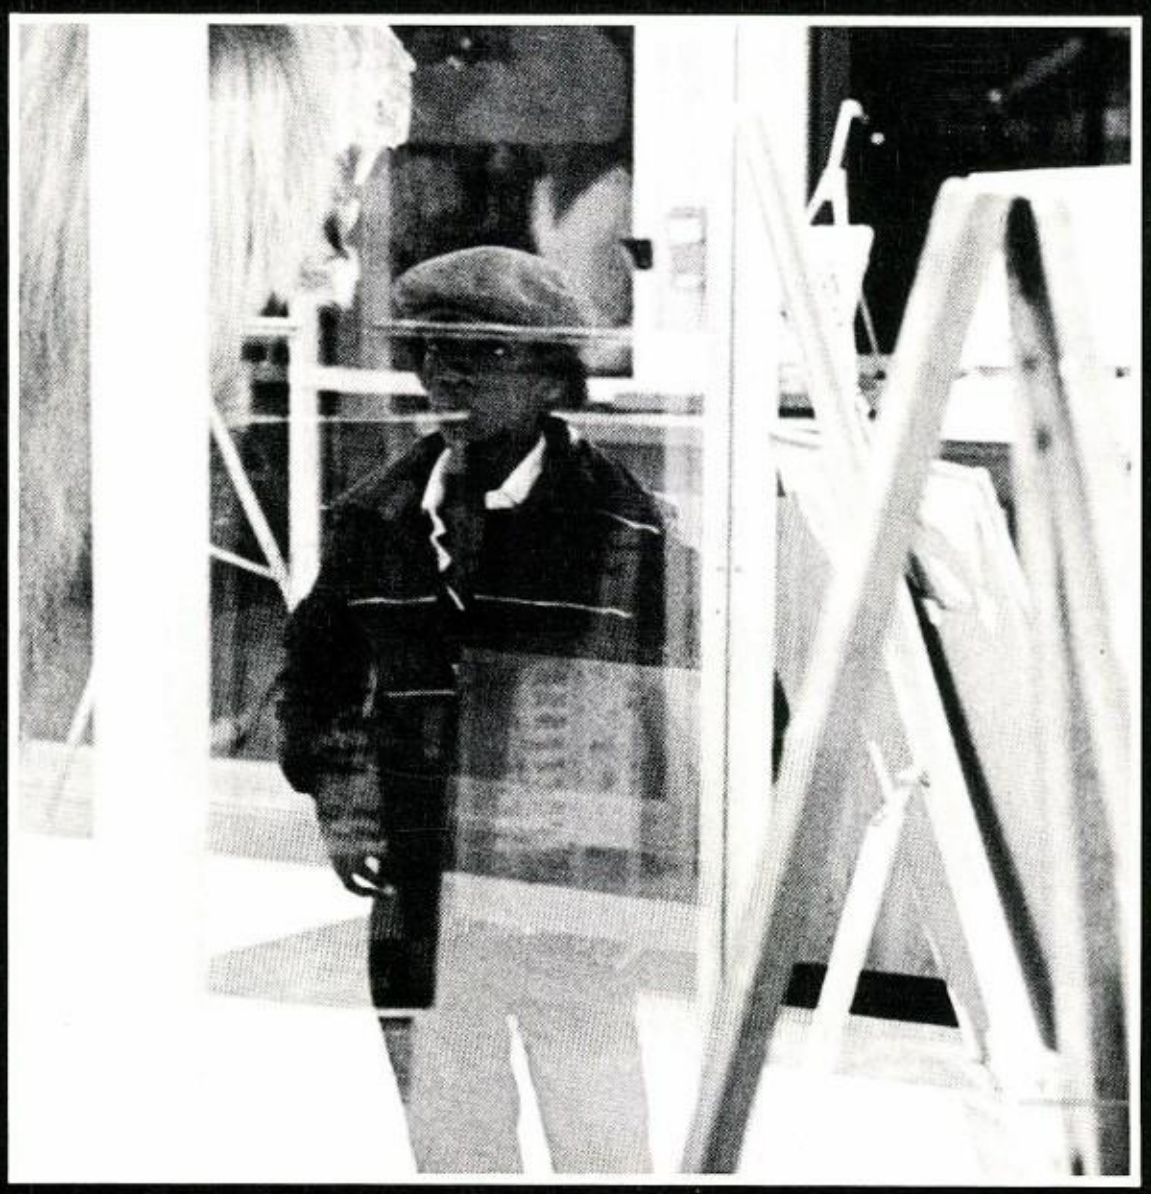
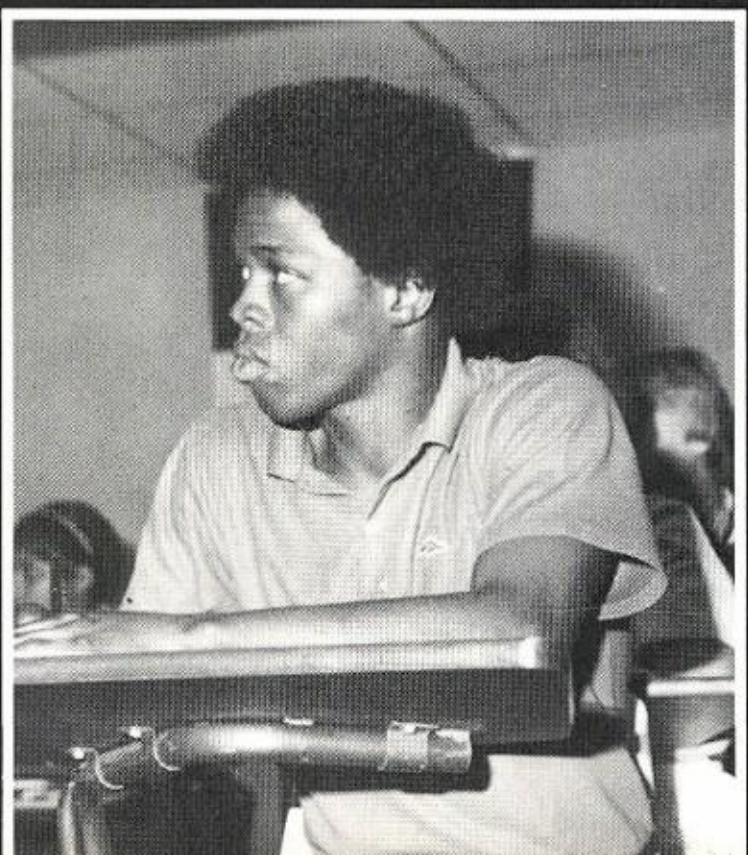
Classes

Now that we were Back Where We Belonged, classes returned to normal. Instead of the portables, we were in our beautiful new building.

The student body of John Tyler is a very special group. From freshmen to seniors, all were involved in many different activities.





Senior Class officers are David Sanchez, vice-president; Wade Arnold, president; and Michelle Wilson, secretary.

Blue Chips

The seniors of John Tyler High School of 1983 are a very special group of people. For many reasons this group of seniors stands heads above the crowd over all other seniors. To begin with, this group was the first class of freshmen to attend classes at John Tyler High School. In this class were the first freshman band, the majorettes, and blue and white football, basketball, and volleyball teams. This class even had its own ninth grade cheerleaders to brighten up all games. Another reason the class is special is that they "survived the fire." The fire brought many sad moments, as the Lions were shipped across town to share facilities with Robert E. Lee. From February until May, JT students had to think blue whenever they saw red, which was too often! After leaving Lee, students attended classes in the unforgettable portables. Many memorable moments were shared in the portables. Rainy weather created a problem while changing classes, but JT survived it all. As the spring of '82 dawned, all future seniors had only one thing on their minds, becoming a senior. As the portables were moved away, seniors finally got their own parking lot. The school was completed and more beautiful than ever. Proud Lions could honorably proclaim JT as their home.

The seniors of '83 have come a long way from overly frightened freshmen to super sophisticated seniors! They have been through it all — that dreaded first year, the fire, the portables, district football and basketball championships, and now graduation. As the first graduating class under new principal Joan Brooks, this gives another reason for the class' uniqueness. The contributions of the class of 1983, from freshman to senior, will long be remembered by the community and family of John Tyler High.

Climbing the Ladder

No longer being an underclassman is one of the best things about being a Junior. The Junior Class of 1982-83 no doubt found this out for themselves as they have gone through many changes since coming to John Tyler. Being back in the new building proved exciting for all and the Juniors went full-steam ahead into the new and challenging year.

Each class can boast of its outstanding students, and the Junior class has plenty of room to boast. In the fall two juniors Robert Cantrell and Anthony Brown were named All-District in football.

Dana McKellar and Felecia Matlock were elected to FHA state office.

Many juniors have been planning ahead, visiting college campuses in order to make decisions for the future. Representing John Tyler at Red Carpet Day at Baylor were Chris Jerger and Chip Smith. Along with other students from Texas they examined the campus facilities, sat in on classes, and had an opportunity to ask questions during their stay. Also attending other college campuses were Anthony Brown and Susan Grindle.

As the year came to a close, Juniors recalled the many traditions which are always held by the Junior class. One the things which is always looked up with great excitement is the ordering the Senior Class Ring, one they wear the upcoming year with pride.

Other traditions held by the Jun Class are Sadie Hawkins, Senior g vs. Senior girls in a powder puff gam and the Junior physical educati class challenging the teachers to game of basketball.

All of this, plus much more, h brought this Junior Class to a fine en waiting only for when they will beco . . . SENIORS.

Sophomore Class Officers are French Taylor, president; Melissa Bevel, secretary, and DeRoyce Jordan, vice-president.

Climbing the Ladder

Sophomores accomplished a variety of achievements in the academic, creative, and recreational activities provided by the school. Leading the sophomore class were officers French Taylor, president; DeRoyce Jordan, vice-president; and Melissa Bevel, secretary. Sophomores from Connie Griffin's Honors World History class brought honor to the class by attaining a first in the Regional History Fair. Representatives included DeRoyce Jordan, Michael Green, Keith Miller, Angie Wells, Tina Morriss, Doug Ryan, Eric Valdez, Coby Mosley, and Eric Jones. In addition, the sophomore debate team achieved equal pride for their class by placing fourth in the UIL Regional Debate Contest.

French Taylor, class president, was chosen for the Hugh O'Brien Award. He represented John Tyler in the Dallas competition.

Recreationally, sophomores sponsored the Sophomore vs. Facu volleyball game and the Domi Contest.

Sophomore Kris Warfel broug honor to the John Tyler French Club placing at the Pine Tree competiti March 11.

All in all it was a good year members of the class. Lion pride a spirit will carry the Class through t coming years as they did through t very special year, 1983.

The Bottom Rung

At John Tyler there is a strange disease going around that has affected almost one-fourth of our student body. And though many people do not care to admit it, they too have been affected by this disease at one time.

Early in the 1900's a high school sophomore first discovered this disease. The symptoms are unusual: occasional stuttering, a loss of sense of direction and naiveness. Even though this awful plague is not contagious, the victims are treated as if they had leprosy. They are put down by other students and are often found in cliques for support. When seen alone, they are usually wandering the halls aimlessly as if lost.

All too often students take advantage of the diseased. They play cruel tricks on them and subject them to ricidule. A "normal" student would not dare speak to one, for fear of ruining his reputation.

Except for an occasional blush or blunder, the victims seem normal. They have no temperature or spots, but they are excessively clumsy.

Unfortunately, there is no cure for this disease. Some biochemists believe that a sudden exposure to the co blue may be the cause. Luckily, t disease lasts no longer than 36 week

What is this strange disease that quickly becoming an epidemic? W the John Tyler student body acce these teenage lepers? Is excessive e posure to the color blue a key factor finding the cure? In the meantime t victims suffer quietly, bravely. They on day after day, praying for the m ment when they will no longer have t disease that marks them as FRESHMEN.

You can help.

You've heard a lot about the need to conserve electricity and all forms of energy. Not only does conservation help save our nation's precious energy resources, it helps you and your family save money since the cost of energy is a big chunk out of most families' budgets. You can help your family by doing your part ... make sure you close doors and windows when the heating or air conditioning unit is on; don't "graze" when you raid the refrigerator — know what you want before you open the door; hot water takes energy — try a shorter shower; and make sure the television or stereo is off when you're through with it. Work with your family to save energy now ... you'll help make sure there will be enough for everyone when you start a family of your own.

Colophon

The John Tyler **Alcalde** is produced by a student journalism class under the direction of Wilma LeNoir during regular school hours, seventh period and several after school and weekend sessions. John Tyler High School is located at 1120 NNW Loop 323 in Tyler, Texas.

The cover is an original design by Judith Burleyson, art department chairman. The design is printed on a Blue 451 cover. 1983 **Alcalde** was printed in Helvetica print in Blue 861. The opening section was based on Silver 81 with lettering printed in Marine Blue 12. Body type was Helvetica 46 in 10 point. Headlines were 24 point on division pages and 30 point elsewhere. The pages were produced on 80 pound offset enamel. Pictures were printed on polycontrast paper with an F finish.

Endsheets used a 3 point reverse border with a 1 point blue rule. Initial letter for the theme was from Helvetica Outline Series with solid blue interior. Background was a 50% screen of Marine Blue 12. Typesetting for endsheets was provided by Tyler Star Publishing Company.

Color photographs were done by Roland Crawford and Steve Self. Clubs were photographed by Provine Studios. Class and sports pictures were contracted by Hub Coleman of National School Studios. The theme idea, "Back Where We Belong," was written by senior Scott Hendley.

The press run of the 1983 **Alcalde** was 775 copies with 224 pages. The **Alcalde** was published by Taylor Publishing Company of Dallas and represented by Bill Henderson.

Layout designs were three columns, 14 picas wide, in mosaic designs. Folios were 12 point capitals and lower case. Some preliminary typesetting was done on a Compugraphic 2750 editwriter by **Alcalde** staffers.

Our Farewell

As the closing of the seventy-fourth edition of the **Alcalde** has finally arrived, we the co-editors of this edition would like to take this opportunity to thank all the people who helped to make this book a little bit easier to produce.

First, our school principal, Mrs. Brooks, assistant principals, teachers, and staff members deserve to be thanked. All your time and effort was very much appreciated. Second, to our advertisers, who helped us by making it possible to do some of the extras in this yearbook by purchasing display and patron advertisements.

Many individuals have also given of their time and effort in order to make this a better book. Roland Crawford, Steve Self, and Bill Beacham, who provided various color photographs in the opening section.

Senior Scott Hendley helped by thinking up the theme idea, "Back Where We Belong;" which seemed to fit every aspect of life at John Tyler; Bill Henderson, our representative from Taylor Publishing Company, who assisted us in many selections; Melinda Forshage of Provine Studios, for the club photos; Hub Coleman for pictures of all classes, some sports groups, cheerleaders, and Brigadettes.

We would also like to thank Mrs. LeNoir for all her fine guidance and help in the production of this book. She helped us all in one way or another. If anyone had an idea about the book, she was always open to suggestions. Both of us would like to thank you for allowing us to be editors of this book. An extra 'thank you' from Bryan for allowing me to be editor even though I was in another class. I hope I have done a suitable job for you.

The main duties of the yearbook are to record the year, to be an image of the school for the community, to show the academic program, and to teach journalism.

Now in closing, we would like to thank two groups of people; first, the '82-'83 **Alcalde** staff, an inexperienced group who grew into very competent staffers; and to the Lion family for all the support given to us by giving information about clubs or being there to take pictures. We thank you all. We hope this **Alcalde** will encompass all thoughts of what a yearbook should be!
